## Indoor Air Comfort Gold

weber floor levelling products

*Certified Product*

Saint-Gobain Sweden AB

Lyttersta, 643 92 Vingåker, Sweden

*Applicant*

The above product complies with the Indoor Air Comfort Gold specifications, version 9.0 (2023). These include both inspection of factory production and VOC emissions testing according to EN 16516, at regular intervals. Indoor Air Comfort Gold combines all key European and selected global requirements on VOC product emissions. Additional requirements not related to VOC product emissions, for example content of certain substances or odour are not combined or evaluated. The following VOC emission requirements are combined and the certified product shows compliance with these VOC emission related limit values:

- |                          |                            |  |  |
|--------------------------|----------------------------|--|--|
| - Belgian VOC regulation | - LEED (ACP)               | - EMICODE EC1 Plus                               | - Nordic Swan  |
| - France VOC class A+    | - BREEAM New Construction  | - Blue Angel DE-UZ 113                           | - Eco Product Norway                                 |
| - Germany (AgBB/ABG)     | - WELL Building            | - Austrian Baubook                               | - SINTEF (Norway)                                    |
| - Italian CAM Edilizia   | - DGNB                     | - M1   | - Cradle to Cradle                                   |
| - EU Taxonomy Regulation | - SKA Rating               | - Danish Indoor Climate Label (Emission Class 1) | - very low emitting products according to EN 16798-1 |
|                          | - French HQE certification | - BVB (Sweden)                                   | - Singapore Green Label                              |
|                          |                            | - Miljöbyggnad (Sweden)                          | - Global GreenTag                                    |
|                          |                            |  | - Declare 2.0  |

Issue date: 21 May 2024

Product type: Installation Products

Validity date: 06 December 2028

Certificate number: IACG-465-01-01-2024

This certificate is valid as specified if regular surveillance and testing is done.
